The screenshot shows a search interface with a header bar containing a magnifying glass icon and the text "search results for """. Below the header, a message states "Search string is empty". The main search area includes a text input field labeled "Search for" containing the value "910112", which is highlighted with a red rectangle. To the right of the input field is a "Search" button, also highlighted with a red rectangle and a red arrow pointing to it. Below the search field, there are options for sorting and filtering: "Sort results by" (set to "relevance"), "Return a maximum of" (set to "results"), and two checkboxes for "Use word variants ('cat' will also find 'cats')" and "Fuzzy search", both of which are unchecked.

6. Na coluna [Tipo de documento] localize FDS.
7. Clique no link para fazer o download.

The screenshot shows the search results page for the query "910112". The header bar displays "search results for '910112'". Below the header, a message states "2 documents found". A table lists the search results with columns: "Nome do Produto", "Cód. Interno", "Tipo do documento", "Versão", and "Publicação". The table contains two rows of results, both for the product "PH 12.46 BUFFER, 475ML" and internal code "910112". The "Tipo do documento" column for both rows contains the link "FDS", which is highlighted with a red rectangle and a red arrow pointing to it. The "Versão" column shows "2" and the "Publicação" column shows "23/07/2026" and "Life Technologies - Rua Breno Ferraz do Amaral, 408". Below the table, there is a search bar with the value "910112" and a "Search" button. To the right of the search bar, there are options for sorting and filtering: "Sort results by" (set to "relevance"), "Return a maximum of" (set to "results"), and two checkboxes for "Use word variants ('cat' will also find 'cats')" and "Fuzzy search", both of which are unchecked.
